

### For small and medium sized surfaces

Smaller sanding jobs can be done in next to no time thanks to the easy operation and excellent ergonomics.

### Light sanding made easy

Lightly sand paints and varnishes or smooth small surface irregularities.

### Gets into every corner

Even hard-to-reach areas are easy to sand thanks to the long, narrow sanding plate.

## Ready for every idea.

Thanks to its compact design and easy handling, the PSM Primo is always ready to use. Its excellent ergonomics ensure that it sits perfectly – and thanks to its softgrip covering also safely – in your hand. Now you can put your ideas into practice with ease.
