Note			<p>*1 Requires subscription to Caller ID service offered by your provider/ telephone company.</p> <p>*2 Requires number registration in the call block list.</p> <p>*3 Numberless calls cannot be blocked depending on the</p>

service of your provider/ telephone company.

\*4 Requires registration in the phonebook to display the name.

\*5 Requires subscription to both Caller ID and Call Waiting with Caller ID services offered by your provider/ telephone company.

\*6 The maximum receiver volume is around twice as loud as the standard Panasonic DECT telephones.

\*7 Actual battery performance depends on usage and ambient environment.
