

Dyson V8 - Absolute

Features

The most powerful suction of any cordless vacuum.¹

The most powerful suction of any cordless vacuum.¹

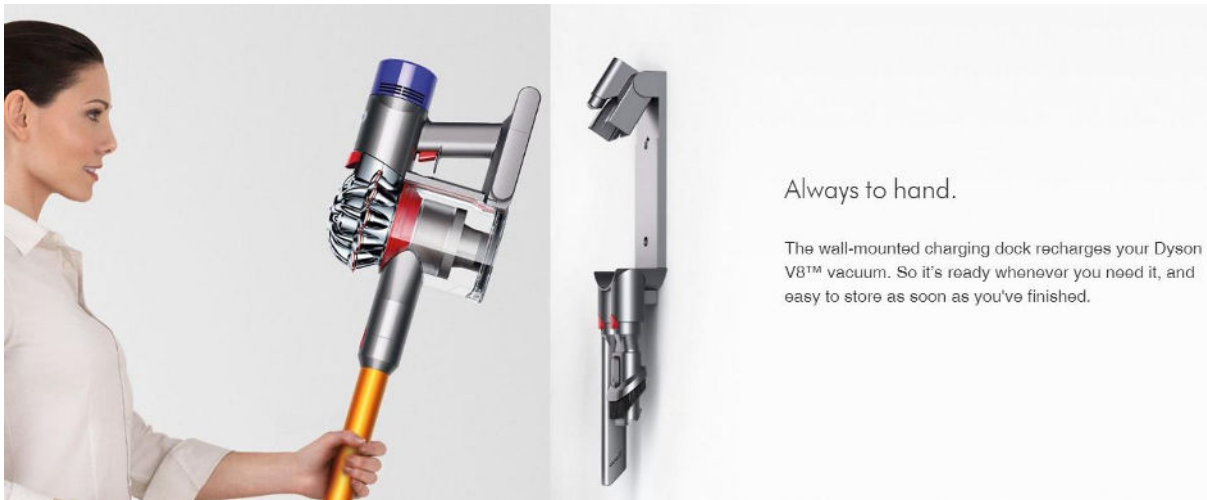

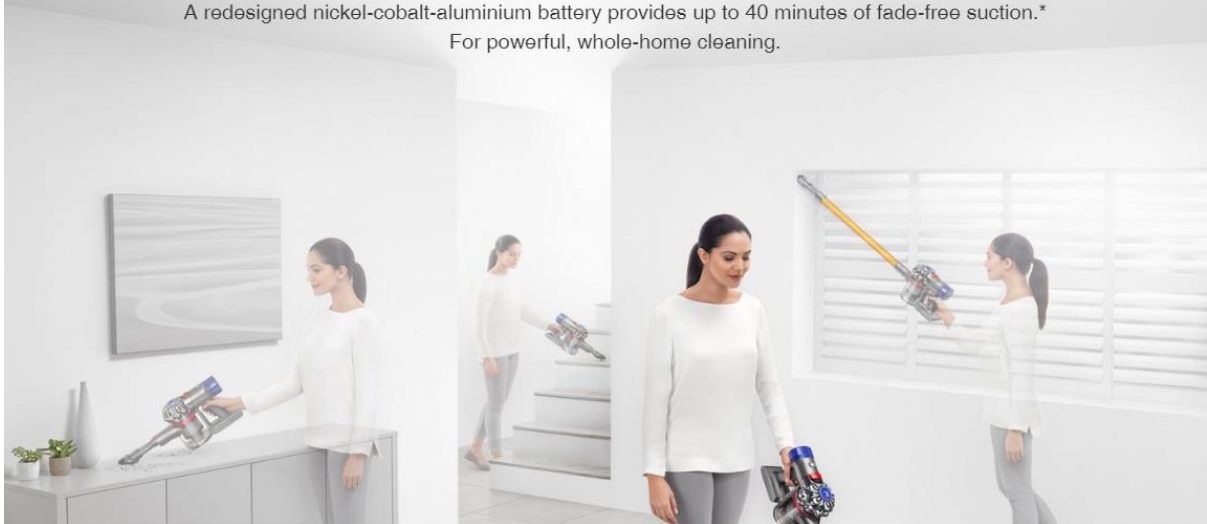

Powered by the Dyson digital motor V8. Engineered to pick up more ground-in dirt and fine dust.

Dyson V8 - Absolute

Cleans. And cleans. For up to 40 minutes.

A redesigned nickel-cobalt-aluminium battery provides up to 40 minutes of fade-free suction.*
For powerful, whole-home cleaning.

Always to hand.

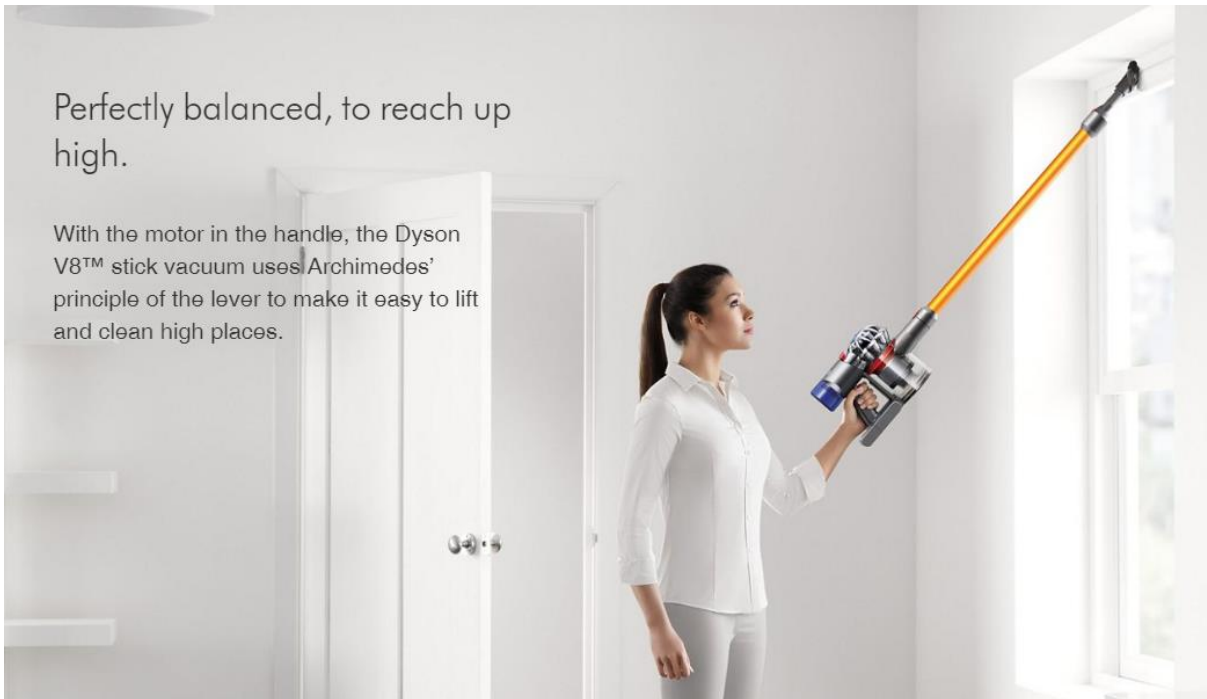

The wall-mounted charging dock recharges your Dyson V8™ vacuum. So it's ready whenever you need it, and easy to store as soon as you've finished.

Drives dirt from carpets.

The direct-drive cleaner head's motor pushes stiff nylon bristles into carpets to capture deep-down dirt.

Dyson V8 - Absolute

Dyson V8 - Absolute

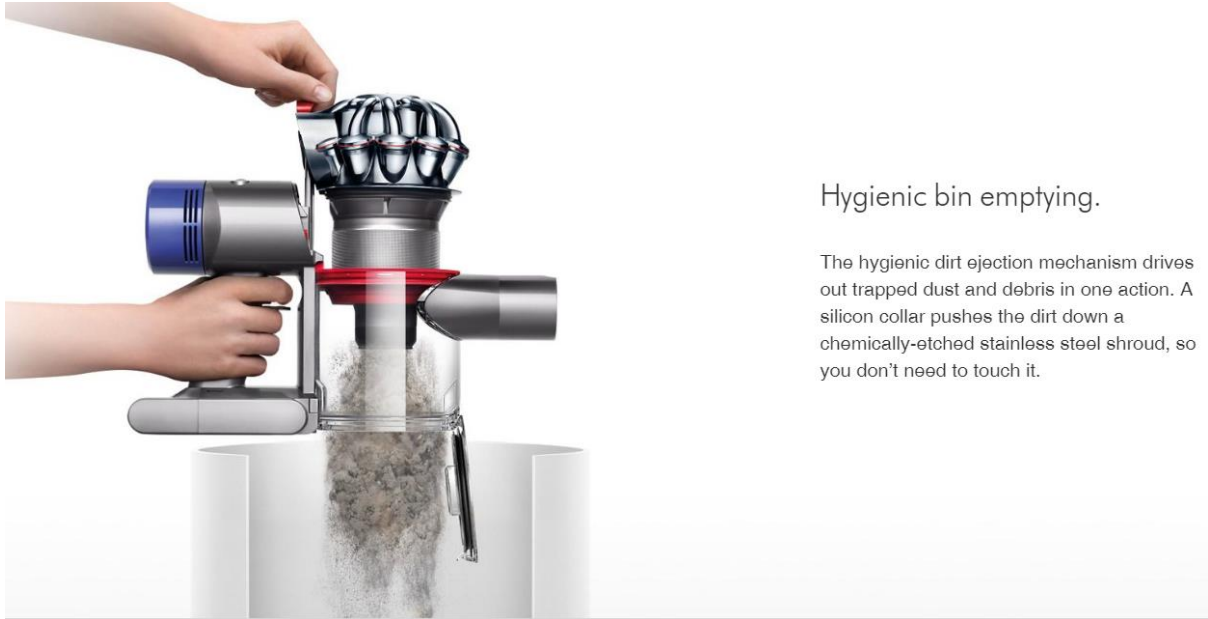

Changes to a handheld in one click.

Quickly transforms from a stick to a handheld vacuum and back again, with just one click. For speedy spill clearance or complete home cleaning.

Small enough for hard-to-reach places around the cabin. Powerful and long-lasting enough to clean your whole car, properly.

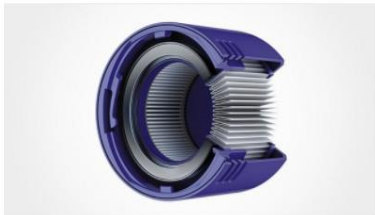

Dyson V8 - Absolute

Hygienic bin emptying.

The hygienic dirt ejection mechanism drives out trapped dust and debris in one action. A silicon collar pushes the dirt down a chemically-etched stainless steel shroud, so you don't need to touch it.

Advanced filtration
Captures allergens and expels cleaner air than the air you breathe.

Combination tool
Two tools in one, for simple switching between surfaces.

Crevice tool
Designed for precise cleaning around edges and narrow gaps.

Two power modes
Switch between MAX mode for up to 7 minutes of high power, and Powerful mode for longer cleaning.

2 Tier Radial™ cyclones
15 cyclones create strong centrifugal forces, to capture microscopic dirt.

Docking station
Tidily stores and recharges your Dyson V8™ vacuum, so it's always ready for use.
